#### Supporting our LINKS Missionary Shannon Smith

*Thank you ❤️. Shannon continues to share daily on her page about the progress of work in Cambodia, in spite of new restrictions in place due to COVID. She has been traveling long distances on difficult roads and has recently partnered with new people who she works close with. Shannon has also battled several injuries and illness this past year and is currently battling with something being watched by the doctor. Please keep Shannon Smith in your daily prayers and drop her a line on her page to let her know.*

#### MESSAGE FROM YOUR NMI PRESIDENT

*As our church, church family, and community continue to strive to get back to a new “normal” with Covid, we continue to receive prayer request for many who are going through difficult times, illness, loss of loved ones, financial concerns, and more. I for one feel so thankful to have God to turn to when it gets to be more than I can bare. I hope you too will turn to His word when you feel you need something more than what the world around you is offering. I want to again share the link from the October Newsletter that may help.*
