### **Supporting our LINKS Missionary Shannon Smith**

As Shannon continues to recover from a recent head injury, she is also faced with Covid Lockdown in Cambodia. Being away from home and travel restrictions in place are difficult enough, but now having to have curfews and added isolation it becomes difficult. But Shannon continues to stay positive and doing all she can to reach out to her mission community to share love and the word of God. Please keep Shannon in your daily prayers! Send her a message of encouragement and let her know you are thinking about her. [Shannons Facebook Page](#)

### ➤ **MESSAGE FROM YOUR NMI PRESIDENT**

As we move into the next new phase of COVID Guidelines coupled with onset of summer months, my MISSION is to help keep the flame of compassion within our Church Family going and growing. As we plan and communicate upcoming Mission events for the remainder of this year, I invite you to connect with me – give me your ideas – get involved (I greatly welcome the help to lead events) – pray – participate – invite friends and neighbors – and pray some more! The success of MISSION WORK is only strong when we come together as ONE – working together for God's Glory. Thank you for all you have done and will continue to do in the months to come.
