Supporting our LINKS Missionary Shannon Smith We were blessed by Shannon who visited us at VCN. Continue to hold her in prayer as she visits surrounding Virginia churches to share what God is doing through her ministry in Cambodia. The Virginia District is sponsoring Shannons project called **“Bicycles Bringing Hope to Cambodia”** by raising funds for Shannon to purchase 400 bikes for those she serves. VCN is committed to donating enough to help purchase 25 of the total bikes targeted. Bicycles are the primary mode of transportation, and most people only make 195.00 a month – a single bike cost \$85.00. Please pray and ask God to lead you in your giving. Cash or Check Donations can be placed in the bicycle basket sitting in our VCN sanctuary or give through our online giving link from our website. Please visit the following links to learn more about Pastor Shannon Smith’s ministry in Cambodia and why bikes are so important for those in Cambodia. Continue to keep Shannon and her ministry in your prayers. **Thank you** ❤️

➤ MESSAGE FROM YOUR NMI PRESIDENT

As our nation continues to recover from impacts of COVID, lets pray for one another. This past year was very difficult, many lost loved ones, and social distances did its best to separate Gods family. As we move forward, I pray that we will grow stronger together in such ways that nothing will stop us from sharing the Love of God as One in Christ. I pray we come together so strong in our church family that it reaches our surrounding community loudly and undeniably visible to all those that it touches. Let’s LET GO and LET GOD!
