- **MESSAGE FROM YOUR NMI PRESIDENT - End of year 2020/21! When I accepted the position of NMI President it was because of Gods call to help fulfill His great commission of spreading the Gospel of Salvation. As part of the Nazarene Church, this is done through the many NMI objectives set forth each month of each fiscal year April 1 – March 31<sup>st</sup>. This year was exceptionally challenging due to many unforeseen obstacles such as COVID and our Nations struggles. But because of your willingness to be involved in spite of the challenges we faced – your dedication, prayers, donations, and participation provided help in many ways to Gods people across the globe – and we were blessed with a great year. I look forward to seeing what God has planned for us in the upcoming 2021/22 mission year. THANK YOU ALL FOR YOUR PASSION AND LOVE through Christ.**
