SUPPORTING YOUR LINKS MISSIONARIES

Our missionaries are responsible for raising funds that enable them to serve in the mission field. One such event is called a Deputation. When the missionaries come back for home assignments, they are scheduled to visit the local churches assigned to them for support. The Domroes Family will be with us on Sunday EVENING July 30th for a Deputation Dinner. PLEASE PLAN TO ATTEND and be ready to support their needs. Shannon Smith will also be with us Sunday morning November 19th. Please visit the link below to learn more about our missionaries and why we support them through prayer, and deputations to help raise the much-needed funds.

A message from VCN NMI President

Can you believe the year is almost half over with July just around the corner. Time moves by quickly. That is why we are called through many verses in the Bible to plan according to His will, praying diligently, and seeking His guidance in all things we do. While it is good to be prepared and plan ahead, we must know that Gods plans may not be the same for each of us but works together for His Glory. So, as we provide this newsletter, bulletins, and Sunday announcements with sign-up sheets, etc., we are hoping for the volunteers and donations, but also recognize that if it is within Gods plans – it will happen no matter what. If not by us, then by others. As a leader for Missions my job is to seek His guidance and pray before we plan and communicate event needs for our church family, and your job is to be aware, to pray, and then respond according to how He leads you. Amen! Thank you for all who serve God as He calls each to do.
